PAS PUMPENTECHNIK GMBH BECOMES PART OF THE HPS GROUP

Ravensburg, Nov 17, 2025

PAS Pumpentechnik GmbH, based in Austria, is one of the experienced specialists in pump technology as well as control and regulation systems. The company offers a comprehensive range of services, from professional installation and commissioning to maintenance and repair, as well as sales and technical consulting. All services are provided from a single source, supported by strong partnerships with leading manufacturers.

By integrating into the HPS Group, PAS becomes the group's first company in Austria, marking an important milestone in international expansion. With its many years of expertise in the testing, commissioning, and maintenance of pump systems, PAS significantly contributes to the expansion of the HPS Group's service portfolio and strengthens its presence in the Austrian market.

For HPS, this step opens up new opportunities to further expand technical expertise and service offerings. Customers will receive an even more comprehensive range of services in the future and will benefit from the seamless combination of engineering, maintenance, and testing services from a single source.
