SANCOVIA CORPORATE FINANCE ADVISES UFENAU CAPITAL PARTNERS AS EXCLUSIVE M&A ADVISOR ON THE SALE OF TRANS EUROPA EXPRESS.

Freienbach, Jun 25, 2026

Sancovia Corporate Finance has successfully supported Ufenau Capital Partners ("Ufenau") in the sale of Trans Europa Express Holding AG ("TEX" or the "Company") to funds advised by Orlando Capital GmbH ("Orlando").

TEX, headquartered in Freienbach, Switzerland, is a leading independent full-service provider for the European railway industry with approximately 1,000 employees and activities in Germany, Switzerland, Austria, the Netherlands, and Belgium. The company offers a comprehensive range of essential railway services in three integrated business areas: infrastructure, operations, and training.

In doing so, TEX supports leading railway infrastructure operators, passenger and freight transport companies, industrial customers, as well as other blue-chip companies in the railway industry with services in the areas of signaling and safety technology, track welding, grounding technology, consulting and mobile maintenance, as well as cross-border railway operations, personnel provision, and training.

Since the beginning of their partnership in 2015, Ufenau has supported TEX in its transformation from a regionally focused railway service group to a market-leading integrated platform.

With Orlando, the company has now found a partner that will support the next phase of its growth strategy and further strengthen TEX’s role as a trusted partner in the European railway industry. The operational management remains with the existing management team under CEO Stephan Pfuhl and CFO Dr. Christian Runzheimer.

Sancovia Corporate Finance acted as the exclusive M&A advisor to Ufenau Capital Partners and supported the transaction throughout the entire process.
