Sancovia Corporate Finance advises Ufenau Capital Partners as exclusive M&A advisor on the sale of Lavatio to Argos Wityu and BNP Paribas

Frankfurt am Main, Nov 14, 2024

Sancovia Corporate Finance successfully advised Ufenau Capital Partners on the sale of Lavatio GmbH ("Lavatio"), a leading provider of textile rental and laundry services in Germany, to a consortium of Argos Wityu and BNP Paribas. As part of the transaction, Lavatio's management will also participate in the company.

Lavatio offers comprehensive laundry services nationwide, particularly for customers in the hotel, healthcare, and industrial sectors. The company is known for its focus on quality and reliability and is considered one of the leading providers in its segment. Currently, Lavatio processes more than 230 tons of laundry per day and operates eight laundries under seven local brands. Additionally, Lavatio expands its geographical reach through partnerships with over 50 partner laundries.

Argos Wityu is acquiring the majority stake in Lavatio through the "Argos Climate Action" fund (Article 9 SFDR), which supports investments with a strong focus on sustainability and emissions reduction. Under the new leadership, Lavatio plans to further expand its environmental strategy. The focus is on the use of textiles with a low CO⊠ footprint, a higher proportion of green energy, and the optimization of energy, gas, and water consumption to further reduce the company's environmental impact.

Sancovia exclusively supported the seller as an M&A advisor throughout the entire transaction process.
