The Option 4.0 AG was acquired by the collana IT group.

Munich, Apr 23, 2025

Option 4.0 AG, based in Winterthur (Switzerland), is now strengthening collana IT GmbH. The excellently positioned cloud company has been a Microsoft partner for many years, offering the highest quality and reliability through a team of approximately 40 highly qualified employees.

With this acquisition, collana IT GmbH is consistently continuing its value-oriented growth strategy in the DACH region. Option 4.0 AG ideally complements the service portfolio of the collana IT Group with solutions based on the Microsoft Technology Stack and cloud-native services. At the same time, the group strengthens its regional presence in Switzerland and gains additional expertise in the areas of cloud engineering, digital business models, and data-driven decision-making processes.

Option 4.0 AG brings years of experience in developing and implementing modern IT architectures and has established itself as a reliable digitalization partner for medium and large companies. Their focus is on realizing scalable cloud platforms and strategically guiding companies on their path to digital transformation.

As exclusive M&A advisor, Sancovia initiated the transaction and advised the buyer throughout the entire transaction process.
